KICK BACK & RELAX

The Bonnie Brae Cabin is THE place to go when you need to just relax and unwind (or as I like to call it "decompress"). Historic, tourist, scenic sights, golf, horseback riding and skiing are all within a short drive. The choice is yours.

IN GENERAL:

FREE WIRELESS INTERNET! Bring your laptop, but promise you won't do anything work related. Instead, use it to get more info on local places to visit! You will find most everything you need already waiting for you. The cabin is modern and fully equipped. Think of it more as your private place and not a rental property. There is a TV/VCR/DVD, and large selection of great movies to watch. Bring your CDs or DVDs, you can play them while visiting. There is electric heat for chilly nights, but then again you will probably be cozy in front of the woodstove insert.

Firewood is already cut, split and stacked for your use!

In the summer there is air conditioning if you need it! The bathroom has a shower / tub. Of course all kitchen utensils are supplied. Microwave oven, electric range, coffee maker and a full sized fridge are waiting for you in the kitchen.

BEDROOMS:

When it's time to retire for the evening, you have a choice of the master bedroom with queen size bed, or the bunk room which has two sets of bunk beds. Some guests prefer to pull out the sleeper sofa so they can spend the night basking in the glow of the cozy fireplace!

THE PORCH:

Take the best nap you have ever had lounging in the hammock on the screened porch! The porch also has comfortable chairs and a picnic table for your use. In the evening, the porch is still a great place to hang out at. Dimmable icicle lights surround the outside walls

Enjoy the weather on the screened porch, have lunch, or play darts.

giving the porch a nice warm glow that will allow you to fully relax. End the day with a game of darts or cards at the picnic table. Still feeling energetic? Try your luck at the horseshoe pits just off the back deck.

TIME:

Don't worry if you run out of time, we all do when visiting the cabin. You will just have to come back again and pick up where you left off with your exploring, sightseeing, hiking, or however you prefer to relax!

OTHER DETAILS:

At the Bonne Brae Cabin, we provide all linens & towels, basic items, napkins, paper towels, pots, pans, dishes, etc.. (You bring the food, drinks, & charcoal). You will find board games, cards, puzzles and plenty of brochures on things to do in and around the area. A grocery store is nearby if you need anything. Yes

Have your morning coffee while watching the birds at the feeder.

the cabin even has a phone, but don't give the number to your boss!!

You do plan on having a cookout at least once during your stay don't you??
